## **Expansion Team Theme**

## **Dilated Peoples**

You got light, don't wait till its dark to as questions You should check the signs, symbols, hits, clues

The writings on the wall but it's up to you

Expansion Team Dilated Peoples Crew

(What you wanna do is watch for clues) You should check the signs, symbols, hits, clues

The writings on the wall but it's up to you

Expansion Team Dilated Peoples Crew

And if you still don't know, this is how we do There ain't nothing as bright, as heavy as light

As dark as night, as set to strike

As ready as right, as loose as tight, as quick to expand

As we on the mikeThere ain't nothing as bright, as heavy as light

As dark as night, as set to strike

As ready as right, as loose as tight, as quick to expand

As we on the mikeIf it was a snake it would have bit ya'

Slithered up like a boa-consticta and griped ya'

Step back and beat the big picture

These cats as though in my head

I charge the mound just to get the pictureBitch clearest specialist better hit ya'

But never miss ya'

Y'all need to double check the scripture

Deco, Deco, unload, reload

Pressin' heights Peco, live like Steve BekoPiss on trees and leave marks to graffiti

Even gang graffiti though I'm for the peace treaty

Frustrated cats we hussle but still needy

And whistle like Twity when we see the L.A.P.D.We going four for score for the prize

You need to see with more than your eyes

It's war in disguise

Tanfa callas are vagrants, this goes for every agent

Some are camouflaged others are very blatantYou got light, don't wait till its dark to as questionsYou should

check the signs, symbols, hits, clues

The writings on the wall but it's up to you

Expansion Team Theme music anthem

Got colored schemes hot, peak lovers red at randomUp close and personal, songs from my journal

My lyrics are the ink, my reflection is eternal

These words are powerful, so hard to describe

Type to raise eye brows and open eyesBut what we did, get your hands dirty, fingers dusty

I've been around the world, you haven't, you could trust me

Line them up, knock them downKeep them cocked, beats and vocals

If you fuck with these locals catch ghost busters logo

Channel ZeroSeparate suckers from heroes, recorded digital Bobby Deniro

Load your base bags, put on your gloves, lace the shoes

Keep your eyes open for signs and ears open for cluesYou got light, don't wait till it's dark to as questions

You should check the signs, symbols, hits, clues

The writings on the wall but it's up to you

What you wanna do is watch for clues
