Home Run

Juelz Santana

Look at what you done
Baby you hit me so hard
Don't know, how you did it
Loco, is how im feeling
Don't go, your so addictive
I cannot resist it
Let's dance [let's take it to the next level]
No hands [more bass and more treble]
Tonight I wanna be a rebel whoa
You got me so excited
Im doing things i've never done before
Done before whoa
And when I try to fight it
I know it's something I cannot ignore
I don't know, I don't know, I don't know
Baby I don't know what ya done, done, done
But ya, done won, done hit a home run
Baby I don't know what ya done, done, done
But ya, done won, done hit a home run
I'm high now, I'm flying
I don't know what you did but
You hit me hard now I'm flying , all the night, yeah yeah yeah
Come show me how you move it
Fast, slow, control I'm loosing
This is my city, my cry
Got me locked, uh, yes..
So let's dance, [lets take it to the next level]
No hands, [more bass and more treble]
Tonight I wanna be a rebel, whoa
You got me so excited
Im doing things i've never done before
Done before whoa

And when I try to fight it
I know it's something I cannot ignore
I don't know, I don't know, I don't know
Baby I don't know what ya done, done, done
But ya, done won, done hit a home run
Baby I don't know what ya done, done, done

But ya, done won, done hit a home run
I'm high now, I'm flying
I don't know what you did but
You hit me hard now I'm flying , all the night, yeah yeah yeah
Maybe run but you got me sprung back
All over my thing, like your ready for the hang up, hang up
Ready to back my thing up, wait till you see more ying yang up
Move to the left, take it back to the right
Girl got my hands up, ready to back my thang up
Wait till you see my ... hang up
You got me so excited
Im doing things i've never done before
Done before whoa
And when I try to fight it
I know it's something I cannot ignore
I don't know, I don't know, I don't know
Baby I don't know what ya done, done, done
But ya, done won, done hit a home run
Baby I don't know what ya done, done, done
But ya, done won, done hit a home run
You hit me hard now I'm high now, I'm flying
I don't know what you did but
You hit me hard now I'm flying , all the night, yeah yeah yeah
One time for you, you the baddest (X3)
Look at what you done, done
One time for you, you the baddest (X3)
Look at what you done, done
