Michel Legrand Medley

G1

What are you doing the rest of your life
North and South and
East and West of your life
I have only one request of your life
That you spend it all with me
All the seasons and the times of your days
Are the nickels and the dimes of your days
Let the reasons and the rhymes of your days
All begin and end with me

G2

The summer knows the summer's wise
She sees the doubts within your eyes
And so she takes her summer time
Tells the moon to wait and the sun to linger
Twists the world round her summer finger
Lets you see the wonder of it all

G3

And every day I'll gentle you, tender you
And oh, the way I'll velvet you, clover you
I'll wrap you up and ribbon you, rainbow you
And shower you with shine
Suddenly, magically
We found each other there we were, here we are
I plan to let you happy me, summer me, winter me
Always be mine

B1

Come wondering, wandering
Stumbling, tumbling
â€˜round, 'round
When will you find
What's on the tip of your mind
why are you blind
To all you ever were
Never were

Really are
Nearly are
Little boy blue
Don't let your little sheep roam
It's time come blow your horn
Meet them on
Look and seek
Can you be far from home

G1 / G2 / G3 / B1

G1] â€¦ I want to see your face in every kind of light
G2] â€¦ the summer knows

G1] â€¦ In fields of gold and forests of the night

G3] â€¦ Summer me, winter me
G2] â€¦ And un-ashamed, she sheds her clothes

G3] â€¦ And shower you with shine
G2] â€¦ And lovingly she warms the sand on which you lie

B1] â€¦ you running away
G2] â€¦ And so she takes her summer time
G3] â€¦ Suddenly, magically

G2] â€¦ Tells the moon to wait and the sun to linger
G3] â€¦ We found each other there we are, here we are
B1] â€¦ Could leave you farther astray

B1] â€¦ And as for fishing in streams
G3] â€¦ happy me, summer me, winter me
G2] â€¦ Twists the world round her summer finger..
G3] â€¦ Always be mine
B1] â€¦ For pieces of dreams

â€¦ from home
â€¦ from home
â€¦ from home
â€¦ from home
