

You Are an Angel

Blue System

It's a tough, tough world we're living in
Between a man and a woman
Come, close your eyesThere is love, when you're alone
There's no friend, no stepping stone
And your heart is only crying, baby
The wind will fly you homeBlue eyes crying in the rain
Love is like a violin
Oh, I never knew heaven could speak
But I'll promise just my heartYou are an angel, hallelujah
You are an angel, hallelujah
When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujahYou are an angel, hallelujah
You are an angel, hallelujah
When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujahYou are only seventeen
There's no friend, no help, it seems
And the guys are only laughing, baby
I promise from my heartYou can run but you can't hide
There's a heart behind your pride
Oh, you're running straight to paradise
When God gives love to youYou are an angel, hallelujah
You are an angel, hallelujah
When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujahYou are an angel, hallelujah
You are an angel, hallelujah
When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujahYou are an angel
