Dolphin

Shed Seven

Would you give blood if you had any
Would you say I'm good or are there far to many fish in the sea
Won't you please say that again
Shame on you
There's something in my head
And it's got it's back to me
One day I think you'll sing my praises
But at the moment you're far too lazy to
Get down on your knees
I'm begging please say that again
I'll carry on for as long as I have to
Come round to my house, and I'[ll show you how to
Get down on your knees
I'm begging please say that again
Shame on you
There's something in my head
And it's got it's back to me
Would you walk near me if you knew how to
Could I ever see you and do you know how to
Get down on your knees
I'm begging
Please say that again
Shame on you
There's something in my head
And it's got it's back to me
There's something in my legs
And they never walk to me
Would you give blood if you had any
Would you say I'm good or are there far to many fish in the sea
Won't you please say that again
Shame on you
There's something in my head
And it's got it's back to me
Shame on you
There's something in my legs
And they never walk to me
Shame on you
There's something in my head
And it's god it's back to me
