

# Freely

## Devendra Banhart

It ain't about a heart you find  
It's about the one you sight  
It's about the love you hide  
It's waitin' to be let outside And it ain't about losing your mind  
(Ooo)  
But if you happen to, that's fine  
(Ooo)  
But theres only one way to shine  
(Ooo)  
And it's called trying to live Freely, freely lo corazn  
Freely, freely lo corazn  
I'd like to live that way  
I'd like to live that way And my mother may not understand  
(Ooo)  
Why I'm the way that I am  
(Ooo)  
But I love her and I wanna let her in  
(Do you love her?)  
Get to know a friend And now we gotta take some time  
(Ooo)  
Get to know each other our whole lives  
(Ooo)  
And I call on you to remind  
(Ooo)  
Nothing's really mine except for Freedom, freedom en lo corazn  
Freedom, Freedom en lo corazn  
I'd like to live that way  
Oh, I'd wanna stay stay that way Ouu, ouu, ouu, ouu, ouu  
Ouu, ouu, ouu, ouu Ya ever seen anything as kind  
As the wind blowing by?  
I've never seen anything as wise  
As the sun rise that shines Freely, freely en lo corazn  
Freely, freely lo corazn  
I'd like to live that way  
Ohh, I'd wanna live that way
