

Chicken

Geoff Muldaur

Well it gets so hard to keep my hed up
This time I just won't let up
You talk too much
I'm fed up
I bust yo lip - can you get up
I told you - I'd get you
What made you think I'd let you
Get away with murder
I bet you knew you'd see the day you regret you
ever fucked with me
Come and get me
Fuck with me
You will rest in pieces
Never mind what she says
Eat these cheerios - make grilled cheeses
Then I will whoop yo ass
I'ma fuck your sister
Can you spell relief?
I can P-U-S-S-Y
Can you guess how I get so hi?
I can't take how you bring out the worst in me
You get the best of me
I can't let you get to me
Move - bigger they come
Move - harder they fall
War - sometimes you've gotta stand up and fight
This homicide was premeditated
My alibi cannot be faded
By the time they find the body
Me and my deejay rock the block party

Deejay please rock the Bob Marley
Let's tap the keg and get started
This weed makes me feel retarded
This beat's funky as a stripper who farted
Yea - see how they fall
One by one my enemies crawl
Let God sort em out
Kill em all

Trench coat mafia - sequel at the mall

I just won't shut up

Until you get the fuck up

I told you I won't let up

My skateboard - your face

Can you get up?

I can't take how you bring out the worst in me...

I can't take how you're constantly testing me

You get the best of me

Why won't you just leave me alone

Bigger they come

Harder they fall

Sometimes you've got to stand up and fight

Chicken - no I'm not movin

Chicken - get outta my fuckin way

Chicken - no I'm not losin

Motherfucker just walk away

Before you fall

Wake up - stand up and fight
