

Can We Still Be Friends?

[Robert Palmer](#)

Advisory - the following lyrics contain explicit language:

We cant play this game anymore
But can we still be friends?
Things just cant go on like before
But can we still be friends? We had something to learn
Now its time for the wheel to turn
Grains of sand, one by one
Before you know, its all gone Lets admit we made a mistake
But can we still be friends?
(Can we still be friends?)
Heartbreaks never easy to take
But can we still be friends?
(Can we still be friends?) Its a strange sad affair
Sometimes seems that we just dont care
Dont waste time feeling hurt
Weve been through hell together Can we still be friends? Can we still get together sometimes?
(Can we still be friends?)
Hey babe, can we still go on and on and on? We awoke from our dream
Things are not always what they seem
Memories linger on
Its like a sweet, sad, old song Can we still be friends?
