

# What It's All About (feat. Busta Rhymes)

## Slum Village

First class  
Full blast  
Smash  
Everything, women wiggle that ass  
All my niggas analyze the color contrast  
Live parallel, bound, shake control that ass  
Hocus... Pocus... Focus  
Smoke this watch Busta Rhymes the dopest  
Hit y'all niggas with the bomb diagnosis  
Slum Village hot shit and you know this  
Now at dates we talk funny and floss money  
Jiffy shot that whip down when the day's sunny  
Busta Rhymes and Slum Village will make a pilgrimage  
From Detroit all the way back to the Brooklyn Bridge  
Black bats and axe the crime rhyme spit in my max  
Spinning my wax  
I'm feeling one time  
Blow your mind, shine, blind all y'all at the same time  
Regulate chickens I always come and take mine
