

The Tunnel

Marty Casey & Lovehammers

There's a light at the end of the tunnel
Wait for me
I'll be coming home soon And when you cry your eyes I'll remember
Stare at me
I can hypnotize you.....keep calling Keep calling keep calling
Keep calling keep calling And the distance has been murder
On my mind
Can't see you with my own eyes If you decide to get with another
Remember who
I'm the one that loves you.....always Keep calling keep calling
Keep calling keep calling If I could just go back
One more time
I'd hold on and never let go
Just go back
One more time
I'd never let
Never let you go SOLO And there's a light at the end of the tunnel
Wait for me
I'll be coming home soon You have to die to get discovered
Peek-A-Boo
I see you through the exit wound.....Keep Calling Keep calling keep calling
Keep calling keep calling Well I found your hiding places
In the bedroom, In the basement
Like a scared child under the blankets
No one knows you like I know you
They'll try to control you like I told you
They'll try to control you
No No No No!
