

My Eyes Adored You

Frankie Valli

My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far Carried your books from school
Playin' make-believe you're married to me
You were fifth-grade, I was sixth
When we came to be Walkin' home every day over
Over Barnegat Bridge and Bay
Till we grew into the me and you
Went our separate ways My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far Headed for city lights
Climbed the ladder up to fortune and fame
I worked my fingers to the bone
Made myself a name Funny, I seemed to find
That no matter how the years unwind
Still I reminisce 'bout the girl I miss
And the love I left behind My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far (My eyes adored you)
All my life I will remember
How warm and tender
(Though I never laid a hand on you)
(My eyes adored you) We were way back then, whoa, whoa, baby
(Like a million miles away from me)
(You couldn't see how I adored you)
Oh, the feeling, sad regrets
I know I won't ever forget you, my childhood friend
(So close, so close and yet so far) My eyes adored you
Though I never laid a hand on you
My eyes adored you

Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so farMy eyes adored you
Though I never laid a hand on you
My eyes adored you
