Rich Girls

Fitz and the Tantrums

we'll walk around pretending
we're all grown up -- hey rich girl
well can you tell me why you're so stuck up?
when you act like you're so down
does paranoia come around
and seize your mind?
now roll your eyesthere's an investigation to be done
like who's been wearing what with who?
so what's been going on?
you've got to know
you've got to knowI'll tell you everything i know
any little thing i know
i'll tell you everything i know
any little things i know
you've got a lovely way with words
must be the way you see the world
its just the way you see the worldwe walk around pretending
we're all grown up -- hey rich girl
well can you tell me why you're so stuck up?
when you act like you're so down
does paranoia come around?
read your mind and take your eyes
investigation to be done
like who's been wearing what with who?
hey what's been going on around here?
you gotta tell me you
you got the know -- i'd like to knowi'll tell you everything i know
any little thing i know
i'll tell you everything i know
any little things i know
you've got a lovely way with words
must be the way you see the world
its just the way you see the worldoh what a lovely way with words
is that the way you see the world?
its just the way you see the worldi went down to your house last weekend
you said, "come on man, you don't have to point out
everything thats bad.
so there's a broken mirror on my bed
i'll clean it up,so what?

you don't have to be such an asshole all the time."
aww don't be like that she said.
