

Werewolves

Alexandre Desplat

Today I went to speak to God,
But the sky was empty.
And the clouds fell down around me and you.
As we stood hand in hand I hope you'd invent me,
A sea of love in which to drown.

Me and you,
We're going to hell,
Just because we're werewolves,
We're werewolves,
A-oo,
A-oo,
A-oo.

My love it's quite a thrill,
Darling, I'll be your werewolf,
You're werewolf,
A-oo
A-oo
A-oo

So, little miss,
Imagine this:
We're intertwined,
And hopeless.
And the world turns upside down,
Without you.

And we're going to hell,
Just because we're werewolves,

We're werewolves,
A-oo,
A-oo,
A-oo.

My love it's quite a thrill,
Darling, I'll be your werewolf,
A-oo.

It's 11:57,
She tastes so sweet,
And I want more.
Just a second,
Lay in heaven,

As my heart hit-hit-hits the floor.

So,

(We're werewolves, we're, we're, we're) We're going to hell,

(We're werewolves, we're, we're, we're) Just because (We're werewolves, we're, we're, we're) we're
werewolves,

We're werewolves,

A-oo,

(We're werewolves, we're, we're, we're) A-oo,

A-oo.

(We're werewolves, we're, we're, we're) My love it's quite a thrill,

(We're werewolves, we're, we're, we're) Darling, I'll be (We're werewolves, we're, we're, we're) your
werewolf,

your werewolf

A-oo

(We're werewolves, we're, we're, we're) A-oo-oo

(We're werewolves, we're, we're, we're x2) Ooh

(We're werewolves, we're, we're, we're x2) A-oo

(We're werewolves, we're, we're, we're x2) Ooh
