Does Anyone Love Me Now?

Blue Roses

When we were on the way
I know weâ€™re too far away when I see besteepled pains
Nothing is concealed
Nothing is revealed by the brow of a hill
I believe in plans
And I believe in maps that you drew
Sitting next to me

Two night s in a row
I didnâ€™t see the moon hanging in the sky
And I need its cool, pale face
To believe in this place and to believe your lies

Imagination , go! And free me from your secrets
Heavy and cold as stone
Well dose any one love me?
â€˜Cause I asked the deep sea
But it wouldnâ€™t speak to me
My darling Iâ€™m sorry

And I tried so hard
So long, so long
By the time I woke up
Then your were gone
And on the way back home
Our wandering eyes met fleetingly in window glass
And weâ€™re etched on a block of night
Its something that I will treasure
And youâ€™ll just let pass

I will just lie in wait
If only to hear the stories
You donâ€™t seems to know how to tell

Oh does anyone love me ?
â€˜Cause I asked the deep sea
But it wouldnâ€™t speak to me
My darling Iâ€™m sorry
