Beyond Belief

BCee

Oh yeah, yeah, show no fear, it's here, babe
I know there, there were tears, babe
Don't hear what they're sayin', it will tear you apartOh yeah, I know I was so wrong
I shouldn't hurt you but it's beyond belief, babe
And they tear you apartI'll share, I need you there
All times of rain, all fear like pain
A new moon, a warm sun, a time for us, dear
He should never make us fearOh yeah, come on and touch me, oh yes, here
And here I say, don't you know that I'm waiting
It's beyond belief, babe, they tear you apartI'll share, I need you there
All times of rain, all fear like pain
A new moon, a warm sun, a time for us, dear
He should never make us fearOh, oh, I need you, I need you, I need you
Oh, oh, I need you, I need you
Oh baby, what they say
