Sounded Good Last Night

Cole Swindell

When my phone started buzzing with my buddy
Saying let's paint the town, it sounded good
When that sexy bartender, nine or tenner
Said it's two for ones now, it sounded goodThat band cranked up with some Dixieland Delight
And singing bout a mist in Alabama notifiedBut it sounded good last night, we had a damn good time
Jack Daniel's got a jackhammer pounding on my mind
Is that my ex's Ford runner backing out the drive
What I told her must've sounded good last night
There's a video karaoke me going viral
My fun money fund's in a downhill spiral
Right now it sounds bad, girl, I ain't gonna lie
But it sure sounded good, sounded good last night
Angel here on earth, did it hurt
Was my go-to line, I thought I sounded good
Round my twelfth, twelve ouncer, told the bouncer
"You wann take it outside?", he thought it sounded goodThat's when they kicked us out, we hit the Texaco
Bought a pack of Black & Milds and some beer from MexicoBut it sounded good last night, we had a damn good time
Jack Daniel's got a jackhammer pounding on my mind
Is that my ex's Ford runner backing out the drive
What I told her must've sounded good last night
There's a video karaoke me going viral
My fun money fund's in a downhill spiral
Right now it sounds bad, girl, I ain't gonna lie
But it sure sounded good, sounded good last nightAll the top shelf shots, all the all whiskies
All the bad ideas that I never should've did
Sounded good last night, we had a damn good time
Jack Daniel's got a jackhammer pounding on my mind
Is that my ex's Ford runner on her backing out the drive
What I told her must've sounded good last night
That video's running up a hundred thousand views
Got a message from my mom, said I can't believe it's you
I'm contemplating reevaluating my life
'Cause it sure sounded good, sounded good last night
Yeah it sure sounded good, sounded good last nightI mean it sounded a lot better than I feel right now
Yikes
