

Plastic Passion

The Cure

Plastic passion is hard to handle
Plastic passion is a sold out scandal
Oh, it's a plastic passion
Oh, it's a plastic passion Plastic passion is the ladies lover
Plastic passion is the marble mother
Oh, it's a plastic passion
Oh, it's a plastic passion Plastic passion is a diamond delight
Plastic passion is the nadir of night
Oh, it's a plastic passion
Oh, it's a plastic passion
Oh, it's a plastic passion Plastic passion is a hycoscine heart
Plastic passion, transparent tart
Oh, it's a plastic passion
Oh, it's a plastic passion
