

# Plastic Passion

## The Cure

Plastic passion is hard to handle  
Plastic passion is a sold out scandal  
Oh, it's a plastic passion  
Oh, it's a plastic passion Plastic passion is the ladies lover  
Plastic passion is the marble mother  
Oh, it's a plastic passion  
Oh, it's a plastic passion Plastic passion is a diamond delight  
Plastic passion is the nadir of night  
Oh, it's a plastic passion  
Oh, it's a plastic passion  
Oh, it's a plastic passion Plastic passion is a hycoscine heart  
Plastic passion, transparent tart  
Oh, it's a plastic passion  
Oh, it's a plastic passion
