

# With a Little Help from My Friends (Reprise)

## Ringo Starr

Okay, another one of those songs you all know and love and you all know

    The words so I want to hear you

    Louder than the band this time, okay? Yeah!

    I said louder than the band this time, okay?

Yeah! Thank you! Ha! Ha! Pretty frightening when you do that!

    What would you do if I sang out of tune

    Would you stand up and walk out on me?

    Lend me your ears and I'll sing you a song

And I'll try not to sing out of key. Oh, I get by with a little help from my friends,

    Mm, I get high with a little help from my friends,

Oh, I'm gonna try with a little help from my friends. What do I do when my love is away?

    (does it worry you to be alone?)

    How do I feel at the end of the day?

(are you sad because you're on your own?) No, I get by with a little help from my friends,

    Mm, I'm get high with a little help from my friends,

    Oh, I'm gonna try with a little help from my friends. (do you need anybody?)

    I need somebody to love.

    (could it be anybody?)

I just want someone to love. (would you believe in a love at first sight?)

    Yes, I'm certain that it happens all the time.

    (what do you see when you turn out the light?)

I can't tell you but I know it's mine. Mm, I get by with a little help from my friends, let me see the figures!

    High with a little help from my friends,

    Mm, I'm gonna try with a little help from my friends. (do you need anybody?)

    I need somebody to love.

    (could it be anybody?)

I just want someone to love. Hey!

    (do you need anybody?)

    I need somebody to love.

    (could it be anybody?)

I just want someone to love. (would you believe in a love at first sight?)

    Certain that it happens all the time.

    (what do you see when you turn out the light?)

I can't tell you but I know it's mine. Oh, I get by with a little help from my friends,

    Mm, I get high with a little help from my friends,

    Oh, I'm gonna try with a little help from my friends.

    Oh, I get by with a little help from my friends,

    With a little help from my friends. Two, one, two, three, four, hey!

    Hey! Hey! Come on!

Okay, you've been such a great audience, I love you all!  
Don't forget it's peace and love and thank you once again.

Thank you and good night!

Good night!

(By with a little help from my friends) [Repeat: x8]
