Too Fast

Die Happy

Always wanted to be number one
Called the undefeated champion
Now you're caught up in the dicipline
And you lose
Did you overhear the starting shot?
Did you panic?
Were you scared that I
Want to share your precious victory with you
So why?Why do you think that it's too fast?
Why do you think that it's too hard
Too know it's alright?
Why don't you give it a try
A chance?
It's too fast
Why do you think that it's too fast?You always wanted me to stay behind
See me struggle on my power line
Won't you try to help me fuel up your life?
Can you tell me what you're waiting for?
Something better may not cross your way
I will sure move on but you will stay
AloneWhy do you think that it's too fast?
Why do you think that it's too hard
Too know it's alright?
Why don't you give it a try
A chance?
It's too fast
Why do you think that it's too fast?
