

# Puppet On a String

## The Sixties Band

Why do you -- invade me  
I beg you -- don't leave me  
Don't trust you -- don't trust me  
I stand here -- benignly  
What is inside that's pushing me  
We're all a puppet on a string  
This wooden world is just like me  
We're all puppets on a string -- on a string  
I hurt you -- you killed me  
I love you -- you hated me  
You gave in -- it thrilled me  
Your sex was -- fulfilling  
What is inside that's pushing me  
Like a puppet on a string  
This wooden world is just like me  
We're all puppets on a string -- on a string  
I hurt you -- you tortured me  
I love you -- you hated me  
You gave in -- it thrilled me  
Your sex was fulfilling  
I hurt you -- you cut me  
Your painful emission of how you felt  
How you felt -- how you felt  
My ego -- could not take  
What is inside that's pushing me  
Like a puppet on a string  
This wooden world is just like me  
We're all puppets on a string -- on a string  
We're all puppets on a string  
You buried me  
You buried me on a string
