Rage/burn

Hellyeah

I live my life on ten because that's just who and what I am
I'm not just livin', no I'm alive
Gotta own it with attitude
This carnival of chaos is what I choose
Onward I mow and reap what I sow
I'm in it to win it
I'm here to start me up a feud
I'm hollow as a hurricane beating down on you
So listen up ya haters (all of you)
Uncomfortable inside your skin
Nothing you could say would ever change me

Self destructive, madness seeding
In my head the anger's seething
Rage, like a fire bomb
Burn, like a pyre
Rage, like a fire bomb
Burn, it's what I'm built to do

I'm hard to the bone
Can't pull the sword from a heart that's made of stone
It's never bleeding, numb to feeling
My stance to kill it, mind determination to break the rule
Pathetic fucking order falls to doom

Self destructive, madness seeding
In my head the anger's seething
Rage, like a fire bomb
Burn, like a pyre
Rage, like a fire bomb
Burn, it's what I'm built to do

Even if I die
It's my time now
I'll make it my fight
It's my time now
Even if I die
It's my time now
I'll make it alright
It's my time now

My time now
My time now
My time now
My time now

My time now
Even if I die

Self destructive, madness seeding
In my head the anger's seething
Rage, like a fire bomb
Burn, like a pyre
Rage, like a fire bomb
Burn, it's what I'm built to do

Into the fire go
Fuck this place up now
Into the fire go
Burn like a pyre
