

Won't Be Long

Collie Buddz

Iâ€™ll give you all my love
all my love all my love all my love

From the first time I see
you mi know that you have to come

Come my way
And I know that you warmin up to the fact that
everthings gonna be alright

Be Okay
And if you feelin lonely check ya tempature
Mi nah gon leave for somebody else for what?
And mi friend Ima sing this song just
because youâ€™re my one and only girl.

CHORUS:

So when youâ€™re all alone thinkin about things
Just go and play this song
And when youâ€™re all alone thinkin about things
Just know it wonâ€™t be long no no no

I know Iâ€™m on a flight everyday and
it seems like too long every time I go away but
Just know say that its not a holiday
not while the New Kingston a play
And Iâ€™ll be back soon canâ€™t wait
to put you on the bed pon di floor against the wall
And we can do it in a di bathroom
Oh gosh you on my mind all the time untill then

CHORUS:

So when youâ€™re all alone thinkin about things
Just go and play this song
And when youâ€™re all alone thinkin about things
Just know it wonâ€™t be long no no no

Iâ€™ll give you all my love all my love
all my love all my love all my love

Girl you know that lovin you is so easy easy like mornin
On a Sunday

And I donâ€™t want to go nowhere
Iâ€™d rather stay right here with you
But you know mi canâ€™t come Monday

CHORUS:

So when youâ€™re all alone thinkin about things
Just go and play this song
And when youâ€™re all alone thinkin about things
Just know it wonâ€™t be long no no no
