Reincarnation Song

Toad the Wet Sprocket

I thought I'd be alright today
I thought I'd be alive today
Give me your eyes, I'll show you things
You never dreamed you thought you'd seeI found myself in a light I'd seen
In sleep sometimes or mescaline
And like the sun you can't stare into for very long
Without it blinding youI thought this light would comfort me
I thought it would be easy
But there's a tugging at my sleeve
And so much baggage I brought with me to leaveSomething so big I can't understand
From trying to, I would go mad
So I hurry back to little earth
For another life, another birth
Another life, another birthAnother life, another birth
Another life, another birth
Oh oh oh
