

The Fame (Glam As You Remix) [Radio Edit Version]

Lady Gaga

I can't help myself
I'm addicted to a life of material
It's some kind of joke
I'm obsessively opposed to the typical All we care about is
Runway models, Cadillacs and liquor bottles
Give me something, I wanna be
Retro glamor, Hollywood, yes we live for the Fame, doin' it for the fame
Cause we wanna live the life
Of the rich and famous
Fame, doin' it for the fame
Cause we gotta taste for champagne
And endless fortune Fame, fame baby
The fame, fame
We live for the fame, fame baby
The fame, fame
Isn't it a shame, shame baby
A shame, shame
In it for the fame, fame baby
The fame, fame I can see myself in the movies
With my picture in the city lights
Photograph my mind
And what else you like to shoot
You decide All we care about is
Pornographic girls on film and body plastic
Give me something
I wanna see television and hot blonds in odd positions Fame, doin' it for the fame
Cause we wanna live the life
Of the rich and famous
Fame, doin' it for the fame
Cause we gotta taste for champagne
And endless fortune Fame, fame baby
The fame, fame
We live for the fame, fame baby
The fame, fame
Isn't it a shame, shame baby
A shame, shame
In it for the fame, fame baby
The fame, fame Don't ask me how or why
But I'm gonna make it happen this time

My teenage dream tonight
Yeah I'm gonna make it happen this time
Fame, doin' it for the fame
Cause we wanna live the life
Of the rich and famous
Fame, doin' it for the fame
Cause we wanna live the life
Of the rich and famous
Fame, doin' it for the fame
Cause we gotta taste for champagne
And endless fortune
Fame, doin' it for the fame
Cause we wanna live the life
Of the rich and famous
Fame, doin' it for the fame
Cause we gotta taste for champagne
And endless fortune
