Sun Is Shining

The Fireman

Sun is shining, the weather is sweet, yeah
Make you wanna move your dancing feet now
To the rescue, here I am
Want you to know, y'all, where I stand.(Monday morning)
Here I am
(Tuesday evening)
Want you to notice if you can, where I stand.
(Wednesday morning)
Tell myself a new day is rising.
(Thursday evening)
It's time to rise a new day is dawning
(Friday morning)
Here I am
(Saturday evening)
Want you to know just where I, just where I standWhen the mornin' gather the rainbow, yeah, yeah
Want you to know, I'm a rainbow, too
To the rescue, here I am
Want you to know, y'all, can you, can you, can you understand?We lift our hands and give Jah praises
We lift your heads and give Jah praises, yeah yeahSun is shining, the weather is sweet now
Make you wanna move your dancing feet, yeah
But to the rescue, here I am
Want you to know just if you can, where I stand, no, no, no, no, where I standCan you understand me now, baby?
Do you believe me?
