Leave Us Alone

Gentleman

I?m hip-hop by definition
Punk rock runs through my veins
I stepped on many stages
Puffed on many strains
Ask me any question
This song remains the same
Kottonmouth Kings is never ending
Bitch, you know the name, let?s go
Why can't we just get along?
All these security guards
Runnin? round shows, always actin? hard
Why can't, we get along?
Party all night ?till the break of dawn
Why don't you leave us alone?
Why don't you just leave us alone?
Why can't we have a good time?
Why can't we just have a good time?
Why don't you leave us alone?
Why don't you leave us alone?
Why can't we just get along?
Why don't you leave us alone?
Leave us alone, tough guy
Let us have fun, tough guy
I'll kick your ass
Actin' like you?re a cop but you ain't got no badge
Tryin? to take my pot, then you?re getting? a toe tag
Searchin? peoples' pockets, actin? like a true jake
I can see you buyin? steroids with your minimum wage
A-Hole boy, yeah, you in the yellow shirt
Actin' all tough but you're really just a nerd
You don't get paid, you're not superman
The money that you make it?s to lend a helpin? hand
Excuse me, excuse me, excuse me, sir
I paid twenty bucks to get in here, now my vision is blurred
From that bass, now this joker is just lookin? disturbed
These are extreme actions, just for smokin? some herb
No, she don't got a wristband but she's with me, Richter
I?m in the Kottonmouth Kings, so excuse me, please
Now don't make a scene, you might lose your job

If you had any education you'd just smile and nod
(Right this way, sir)
Why you tryin' to act hard, you really pillow soft
You can meet me in the parkin' lot, we could straight up box
You know you're bigger than me but size don't matter
I'm from the old school fool, bitch, ass get popped
We came in piece to celebrate
Get high and demonstrate
You keep spreading lots of hate
Kickin? ass and takin? names
Why, you actin? like a macho asshole?
Beatin? on a kid, man, he's 15 years old, chill
Chill, chill, chill
Tough guy, leave us alone
I'll kick your ass, tough guy
Anyone in the pit, up
Bitch, you know the name, let?s go
Why can't we just get along?
All these security guards
Runnin? round shows, always actin? hard
Why can't we get along?
Party all night ?till the break of dawn
Why don't you leave us alone?
Why don't you just leave us alone?
Why can't we have a good time?
Why can't we just have a good time?
Why don't you leave us alone?
Why don't you leave us alone?
Why can't we just get along?
Why don't you leave us alone?
