

Taste My Love

Tyrese

Come on and taste my love
It's you, I'm thinking of
Baby, don't you be afraid
I will guide you all the way
Come on and taste my love
It's you, I'm thinking of
I got what you're looking for?
There's no need to look no more Have you ever had someone
Make love to your mind
It's all good baby baby
I'll treat you like a lady
I'll take my time so you know
There's no rush we'll take it slow
We've got all the time in the world
Ooh baby, don't pass up this chance for romance girl
I've got something sweeter then candy
Baby, dont you worry about a thing Come on and taste my love
It's you, I'm thinking of
Baby, don't you be afraid
I will guide you all the way
Come on and taste my love
It's you, I'm thinking of
I got what you're looking for?
There's no need to look no more Are you ready for the real thing?
'Cause I'm not coming up short
There's no doubt it will not work babe
Just one taste and you'll beg for more
'Cause my love is all you need
Baby don't you worry 'bout a thing
Ooh baby, dont pass up this chance for romance girl
I've got something sweeter than candy
Sweeter than candy
Sweeter than honey
Sweeter than sugar
Baby, don't you worry 'bout a thing
