## Good Charlotte

[Originally by Oasis] I don't know what it is  
That makes me feel alive  
I don't know how to wake  
The things that sleep inside I hope that I can say  
The things I wish I'd said  
To sing my soul to sleep  
And take me back to bed  
You want to be alone  
When we could be alive instead (CHORUS:) 'cause we need each other  
We believe in one another  
I know we're going to uncover  
What's sleepin' in our soul (repeated chorus)  
whats sleepin' in our soul  
whats sleepin' in our soul There are many things  
That I would like to know  
And there are many places  
That I wish you would go  
But everything's depending  
On the way the wind may blow I don't know what it is  
That makes me feel alive  
I don't know how to wake  
The things that sleep inside  
I only wanna see the light  
That shines behind your eyes 'cause we need each other  
We believe in one another  
I know we're going to uncover  
What's sleepin' in our soul Because we need each other  
We believe in one another  
I know we're going to uncover  
What's sleepin' in our soul  
What's sleepin' in our soul  
What's sleepin' in our soul  
Because we need each other  
We believe in one another  
I know we're going to uncover  
What's sleepin' in our soul we need  
we believe (3x)  
what we need (4x)

whats sleeping in our soul?
