

# Yes, the River Knows

## The Doors

Please believe me the river told me  
Very softly want you to hold me Free fall flow, river flow on and on it goes  
Breath under water till the end  
Free fall flow, river flow on and on it goes  
Breath under water till the end  
Yes, the river knows Please believe me if you don't need me  
I'm going, but I need a little time  
I promised I would drown myself  
In masticated wine Please believe me the river told me  
Very softly want you to hold me I'm going, but I need a little time  
I promised I would drown myself  
In masticated wine Free fall flow, river flow on and on it goes  
Breath under water till the end  
Free fall flow, river flow on and on it goes  
Breath under water till the end
