He Became A Man

HE BECAME A MAN - Steve Fry

1) If I had been the one to send the Savior to the earth,
Iâ€™d given him a palace and arranged a noble birth.
All the world would recognize He was divineâ€¦
There would be no greater king that you could find.

2) He would have been surrounded by, some influential friends.
Iâ€™d given Him prestige and wealth, adored by every one
He would use His power to show He was God,
And bring justice to the nations with His loveâ€¦

Chorus
But He became a man for me.
In spite of deity, to meet my every need,
And all the hurt I ever knew, Jesus Christ went through,
To life his life through me.

3) In the silence of the night a little baby came
No one then could have known,
That the world would never be the sameâ€¦

4) Born on this, the straw and down of a lowly cattle stall,
Not hailed by kings, but worshipped by a shepherdâ€™s simple song
This tiny little babe of destiny,
Would be the greatest power the world will seeâ€¦

Chorus
He became a man for me
In spite of deity, to meet my every need
And all the hurt I ever knew, Jesus Christ went through,
To life his life through me
