

Mother Turtle

Aber. INC

Mother turtle without any child
Always watching for someone to hide
 Away
 Stay
Gets your attention with candy and stuf
 He is harmless he spits in a cup
 Away
 Stay

Ref.

I'm your little jester
Snorting spinal fluid
Snorting spinal fluid
Snorting spinal fluid
 X4
(Accuse me for treason
 You can't run that fast
 Abusing my reason
 The traitor within you
 Dies)

Mother turtle without any child
Lives in heaven drinking and cries
 Away
 Stay
I can see him and his lonley eye
I can take him away from your cry
 Away
 Stay
