

Pure Imagination (with Seth MacFarlane)

Barbra Streisand

Come with me, and you'll be
In a world of pure imaginationTake a look and you'll see
Into your imaginationWe'll begin, with a spin
Traveling in a world of our creationWhat we'll see will defy explanationIf you want to view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world?
There's nothing to itThere is no life I know
To compare with pure imaginationLiving there, you'll be freeIf you truly wish to beIf you want to view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world?
There's nothing to itThere is no life I know
To compare with pure imaginationLiving there, you'll be free
If you trulyWish to be
