

# Missing you

## EAT YOU ALIVE

Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)

Living without you

'Cause you were my sister, my strength and my pride

Only God may know why, still I will get by

Who would have known that you had to go

But so suddenly, so fast

And how could it be, all the sweet memories

Would be all, all that we'd have left

Now that you're gone, everyday I go on

(I go on)

But life's just not the same

(Life's just not the same, baby)

I'm so empty inside and my tears I can't hide

But I'll try, I'll try to face the pain

Though I'm missing you

(Although I'm missing you)

I'll find a way to get through

(I'll find a way to get through)

Living without you

'Cause you were my sister, my strength and my pride

Only God may know why, still I will get by

Oh, there were so many things

That we could have shared

(uh-huh)

If time was on our side, ooh yeah

(Time was on our side)

Now that you're gone, I can still feel you near

So I'll smile with every tear I cry

Though I'm missing you

(Although I'm missing you)

I'll find a way to get through

(I'll find a way to get through)

Living without you

'Cause you were my sister, my strength and my pride

Only God may know why, still I will get by

How sweet were the closest of friends

But I'll wait for the day when I'll see you again  
I'll see you again  
Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
'Cause you were my sister, my strength and my pride  
Only God may know why, still I will get by  
Though I'm missing you  
(Although I'm missing you)  
I'll find a way to get through  
(I'll find a way to get through)  
Living without you  
'Cause you were my sister, my strength and my pride  
Only God may know why, still I will get by  
I'm missing you
