

We Applaud Your Greatness

Jack Hayford

I will not give that which costs me nothing
So when I clap my hands in honor of the Lord
I lift my voice in praise and adoration
Together they'll become an instrument of war

We applaud your greatness, we applaud your might
and we shout to God in triumph as we set ourselves to fight
every demon trembles when he hears our voices raised
joined with loud applause affirming You are worthy to be praised.

I clap my hands to show i'm in agreement
with what the word of God says concerning me
you're king of kings and Lord of lords forever
with our applause we come to welcome royalty

We applaud your greatness, we applaud your might
and we shout to God in triumph as we set ourselves to fight
every demon trembles when he hears our voices raised
joined with loud applause affirming You are worthy to be praised.

Clap your hands make a joyful noise
Clap your hands make the darkness flee
Clap your hands praise his majesty

We applaud your greatness, we applaud your might
and we shout to God in triumph as we set ourselves to fight
every demon trembles when he hears our voices raised
joined with loud applause affirming You are worthy to be praised.
