Jabba the Hut

Sodom

Your life is not worth a days purchase
Malodorous flatulence wherever you go
Obese, sweaty and fattened
Like a swine in a prime of greaseJabba the hut
Jabba the hut
Jabba the hut
Jabba the hutYou try to find a well shaped woman
But your body is a deterrence
This greedy boy escapes from reality
The girl takes the bull by the hornsJabba the hut
Jabba the hut
Jabba the hut
Jabba the hutWobbling paleface, physical weakness
Smell of perspiration
Disgusting frame, overweight
Dreams of dissipation
Infamous deeds, you can't give up
But she is just a child
Tears of pain that drive you mad
Act of infanticideJabba the hut
Jabba the hut
Jabba the hut
Jabba the hutUntouched victims decoyed with sweets
Reduced to silence or on the run
Too many lives passed your hand
Your life will pass my hand with the gunJabba the hut
Jabba the hut
Jabba the hut
Jabba the hut
