

I Think I Left My Heart With You

Little River Band

I hope it's not too late to call
I couldn't wait a moment more
I don't know what else to do
I need to ask a favor Check behind each of your doors
Search throughout your rooms and halls
Secret corners, look there too
I think I left my heart with you Don't forget to remember
'Cos you're always on my mind
I don't care if I've lost my heart this time If you find it keep it safe
Wrapped within your warm embrace
I could be wrong, that's nothing new
But I think I left my heart with you Don't forget to remember
'Cos you're always on my mind
I don't care if I've lost my heart this time
I'm not beggin' but ... Maybe you could be so kind
To make a home for this heart of mine
Maybe I could live there too
I think I left my heart with you Think I left my heart
I think I left my heart with you
