

Our House

Crosby, Stills, Nash & Young

I'll light the fire
 You put the flowers in the vase
 That you bought today Staring at the fire
 For hours and hours
 While I listen to you
 Play your love songs
 All night long for me
 Only for me Come to me now
 And rest your head for just five minutes
 Everything is good
 Such a cosy room
 The windows are illuminated
 By the sunshine through them
 Fiery gems for you
 Only for you Our house is a very, very fine house
 With two cats in the yard
 Life used to be so hard
 Now everything is easy
 'Cause of you
 And our la,la,la, la,la, la, la, la, la, la, la..... Our house is a very, very fine house
 With two cats in the yard
 Life used to be so hard
 Now everything is easy
 'Cause of you
 And Our I'll light the fire
 And you place the flowers in the jar
 That you bought today
