Reason (Vs. Hook N Sling)

NERVO

When the puzzle connects
It's like you never forget
The way it's got to be
It's nobody's concern
'Cause they don't know how it burns
When you're not here with meSo am I wrong or up my way in the sky
'Cause I can never deny
These feelings
How can I ever stop
When I don't want to give upThis is my reason
ReasonThis is my reason
Reason'Cause I get you, I get you
And you get me, you get me
It's that simple, It's that simpleDon't matter what we are
'Cause we don't ever fallWhen the puzzle connects
It's like you never forget
The way it's got to be
It's nobody's concern
'Cause they don't know how it burns
When you're not here with meSo am I wrong or up my way in the sky
'Cause I can never deny
These feelings
How can I ever stop
When I don't want to give upThis is my reason
ReasonThis is my reason
