Another Division St.

Gratitude

When the lights go out
Do you think of death?
Do you make a sound?
Or do you hold your breath?But tonight, let's celebrate it
Love or hate it, it's ours
Tonight, let's overrate it
We really made it this far
TonightThe places we don't know
Someone makes our clothes
Someone's counting sins
It gets under my skinBut tonight, let's celebrate it
Love or hate it, it's ours
Tonight, let's overrate it
Yeah, we really made it this far
TonightOh, tonight, let's celebrate it
Love or hate it, it's ours
Tonight, tonight
We really made it this far
Oh, tonightWe really made it this far
This far, this far
Yeah, we really made it this far
Tonight
