

Manipulator

[Ty Segall](#)

Cheap love, I'm wrapped in milk
Drug rug that's smooth as silk
You are the bloodline guilt
Manipulator Ooh, ooh, ooh (manipulator) I use your telephone
To sneak inside your home
My finest bred
Manipulator Ooh, ooh, ooh (manipulator) Ooh, ooh, ooh (manipulator) (Manipulator, manipulator, manipulator,
manipulator)
(Manipulator, manipulator, manipulator, manipulator)
