Last Dance

Slow Hollows

Is it a crime to have misspoken?
Hearts at war is coming up rosy
I hate to be cruel, I hate to be shallow
Oh, oh yeah, you're sittin' and hopin'.

Come and dance with me
It's alright to be
Come and dance with me
It's alright to be

Is it a crime to have misspoken?
Hearts at war is coming up rosy
I hate to be cruel, I hate to be shallow
Oh, oh yeah, you're sittin' and hopin'.

Come and dance with me
It's alright to be
Come and dance with me
It's alright to be
