

# The Bends

## Radiohead

Where do we go from here?  
The words are coming out all weird  
Where are you now, when I need you? Alone on an aeroplane  
Falling asleep against the window pane  
My blood will thicken I need to wash myself again  
To hide all the dirt and pain  
'Cos I'd be scared  
That there's nothing underneath But who are my real friends?  
Have they all got the bends?  
Am I really sinking this low? My baby's got the bends, oh no  
We don't have any real friends, no, no, no Just lying in the bar  
With my drip feed on  
Talking to my girlfriend  
Waiting for something to happen I wish it was the sixties  
I wish we could be happy  
I wish, I wish, I wish  
That something would happen Where do we go from here?  
The planet is a gunboat  
In a sea of fear  
And where are you? They brought in the CIA  
The tanks and the whole Marines  
To blow me away  
To blow me sky high My baby's got the bends  
We don't have any real friends Just lying in the bar  
With my drip feed on  
Talking to my girlfriend  
Waiting for something to happen I wish it was the sixties  
I wish I could be happy  
I wish, I wish, I wish  
That something would happen I wanna live, breathe  
I wanna be part of the human race  
I wanna live, breathe  
I wanna be part of the human race  
Race, race, race Where do we go from here?  
The words are coming out all weird  
Where are you now, when I need you?
