

Reasons for the Tears I Cry

Vince Gill

Your leavin'
Just hit me right between the eyes
Had me believin'
All your little alibis
You're movin' on, no matter how hard I try
I've got reasons
Reasons for the tears I cry I'm seein'
Our love is goin' up in flames
I must be dreamin' to think you will feel the same
Now you're gone you left me wonderin' why
Why, why
I've got reasons, babe
Reasons for the tears I cry It's lookin' like we're done
You're about to run into the arms of another man
Say it ain't so
Baby, don't you go and break my heart even though you can
It's killin' me to hear you say to me
"Goodbye"
I've got reasons
Reasons for the tears I cry It's lookin' like we're done
You're about to run into the arms of another man
Say it ain't so
Baby, don't you go and break my heart
Even though
Even though you can
