Cash, Diamond Rings, Swimming Pools

D E N A

Cash, Diamond Rings, Swimming Pools (12)
Cash, Diamond Rings, Swimming Pools
Cash - one thing I ain't got in the hood.
Dimond rings - I don't need them.
All I want is chill with my friends by the swimming pools.
Sun is something that is here, not.
Walking in the cold and imagine that it's hot.
Winter's long and the summer is too short.
Nothing in between. I'm always wanting more.
Hanging here and wishing to be there.
Ending up with not really being anywhere.
I know that the grass is always greener on the other side.
Nothing I can do about it when I'm not satisfied.
Cash, Diamond Rings, Swimming Pools
Cash - one thing I ain't got in the hood.
Dimond rings - I don't need them.
All I want is chill with my friends by the swimming pools.
SOS - SOS - SOS - SOS (4)
If you are listening to this in a hot country.
Please come rescue me I'm give what you need.
I'll bring my friends we're just about twenty.
If you got a swimming pool, than we can be hanging (2)
Cash, Diamond Rings, Swimming Pools
Cash - one thing I ain't got in the hood.
Dimond rings - I don't need them.
