

Back In Business

Down To The Bone

Breakin' out, about to shout
Feel the need for one more round
Don't you struggle, try to bite
You want some trouble, I'm the king of vice
I'm a wreckin' ball, I'm a stingin' knife
Steal your money, gonna take your life
You got screamin' murder, lock up your door
Double dealin' gotta have more
Call me dirty, trash my name
Just tell the boys that I'm gonna be[CHORUS:]
 BACK IN BUSINESS again
 BACK IN BUSINESS again
 BACK IN BUSINESS again
BACK IN BUSINESS again(BACK IN BUSINESS)Flesh and blood, I'm a rag 'n' bone
 Bad luck message on the telephone
 Don't you worry, play my game
 I'll do you a favor, got your soul for sale
 I'm a cannon ball goin' down the track
 Need good lovin' but I want it back
 Born in trouble, they gave up on me
 Teacher preachin' what not to be
 Call me dirty, trash my name
Just tell the boys that I'm gonna be[REPEAT CHORUS]
