

Plush (LP version)

Stone Temple Pilots

And I feel that time's a wasted go
So where ya going to tomorrow?
And I see that these are lies to come
Would you even care? And I feel it
And I feel it Where ya going for tomorrow?
Where ya going with that mask I found?
And I feel, and I feel
When the dogs begin to smell her
Will she smell alone? And I feel, so much depends on the weather
So is it raining in your bedroom?
And I see, that these are the eyes of disarray
Would you even care? And I feel it
And she feels it Where ya going to tomorrow?
Where ya going with that mask I found?
And I feel, and I feel
When the dogs begin to smell her
Will she smell alone? When the dogs do find her
Got time, time, to wait for tomorrow
To find it, to find it, to find it
When the dogs do find her
Got time, time, to wait for tomorrow
To find it, to find it, to find it Where ya going for tomorrow?
Where ya going with that mask I found?
And I feel, and I feel
When the dogs begin to smell her
Will she smell alone? When the dogs do find her
Got time, time, to wait for tomorrow
To find it, to find it, to find it
When the dogs do find her
Got time, time, to wait for tomorrow
To find it, to find it, to find it To find it
To find it
To find it
