# Not My Fault

## The Dandies

The Dandies - Not my Fault

I can't forget
I forgive you but i can't forget what you've done
You hurt me and i keep feeling like its all my fault

It's not

I'm here, you're gone
Was there there more I could do
Words i said have saved you you
We keep blaming ourselves
You did this its not our Fault

It's not
Our Fault
It's not our fault
Its not our

I can't forget
It's not our fault
