Back Against The Wall

Two Tongues

The first time I saw you
Back against the wall
I knew we would make it
Yeah, we could have it allI told you before boy
You know I like your style
And I ain't going nowhere
Let's breathe it out for a whileAlright
Alright
Come on
Alright
Alright, come on
Alright
Come onYou're all that I wanted
But you just don't care
And now that we parted
I need to feel you hereThe blood and the blister
Yeah, we were set to burst
I'm forever within you
You know it could be worseCome on
Alright
Come on
Alright
Alright, come on
Alright
Come onAlright
Come on
Alright, come on
Alright
Alright
Alright, come onAlright
Come on
Alright
Alright, come onAlright
Come on
Alright
Alright, come on
