

Assassination

Dead Prez

Advisory - the following lyrics contain explicit language:

Our people are poor, and you know, damn well
Nobody wants to be poor
This play is gonna show how the pigs react
When the people start to take community
Control over what belongs to them and liberate it back
Sometimes I just don't careMurderation, modern hanging education
Price of your life is goin' up it ain't inflation
Incrimination, they got my picture at the station
Elimination, state to state we eatin' by this nationThem belly full, my trigger finger got pulled
To cut the bull shots'll warm your flesh like wool
These tools for survival make fools out of rivals
Fuck the Bible, get on your knees and praise my rifle
Your life is done there ain't another place to run
Eat your own gun, scared because my people never known funCops drive down the streets and blow my friends
away
I try to smoke enough lah to take my sins away
This E&J be freein' us in it's own special way son
We live for the day, the only way dunnThe violence in me, reflect the violence that surround me
I choose that wildly Mr. Charley keep his eye on me
To figure my head, but them ass kissin' niggas is dead
We learn the chokeholds with fishermen's threadI read 'The Art of Sun-Tzu' in a couple of fuckin' days
Used to practice Kung-Fu with this nigga that's like, double my age
And you can put this on the government's grave
Somebody payin' for the way we have to suffer and slave
Assassination, word upI hope they get the assassins, I hope that something is done to them
Problem is they're killing them
It reminds me of something like what happened to LincolnYou ain't even safe wit a full clip
Hustle out on the president's grave
I'm sick of livin' in this bullshit
We down to take it to the full length
Meet us up on Capitol Hill and we can get up in some real shitYou ain't even safe wit a full clip
Hustle out on the president's grave

I'm sick of livin' in this bullshit
We down to take it to the full length
Meet us up on Capitol Hill and we can get up in some real shitAssassination, yeah
